Looking for a volunteer to help with Cutting fabric.

I recently was able to purchase land in Branson, MO! I am now believing in God for the means to build the house. I am looking for financial support and contractors/carpenters/builders who could donate time or resources. If anyone knows of an organization, TV show, or a donor (maybe someone who could use a tax write-off) who would be able to help with this, please contact me. I could really use everyone’s prayer and help in this!

I am also standing and believing for the Spirit Filled Anointed Man of God that is Specially Designed to be my Husband to come into the Natural.

You have not because you ask not, and I believe this in my Spirit.

Hebrews 11:1
